Surveyor General's Office**

**Pilot Project "Establishment of Continuously Operated Reference Station Network"**

**REQUEST FOR EXPRESSIONS OF INTEREST (EOI)**

Survey of India is inviting EOI for execution of Pilot Project "Establishment of Continuously Operated Reference Station Network" in three states of Andhra Pradesh, Karnataka and Odisha in a limited area. The aim of this pilot project is to establish technical procedures for establishing the CORS Network across India.

**Deliverables of the Project-**

- Establishment of GPS tower and ancillary facilities to transmit GPS signals in the project area.
- Establishment of Communication associated with the project.
- Establishment of Central Control Stations to regulate the signals.
- Training of Survey of India personnel to man the stations and Control Centre.

The estimated duration of the project is 3 months. SOI invites eligible OEMs to indicate their interest in execution of the Project. The OEMs having enough technical and financial qualifications and operating in India for a minimum period of 5 years will be considered for the proposed work. The work may be allotted to more than one bidder and modalities of allotment of work will be intimated subsequently.

A detailed RFP for the project will be issued after receiving the response to this EOI.

The bidder will be selected in accordance with prevailing quality and cost based selection method as set out in the Government of India General Financial Rule and Public Procurement Act.

This request for EOI can be downloaded from the SOI's website: [www.SurveyofIndia.gov.in](http://www.SurveyofIndia.gov.in). Expressions of interest with necessary documents must be delivered in two printed copies to the address below during office hours on or before July, 27 2016. The vendors should be prepared to make their presentation in SGO, Dehradun on 29-07-2016.
